

REMARKS

Applicants request that this amendment be entered so as to improve the readability of the claims. The Issue Fee for the above application was paid on October 15, 2012. Applicants had filed a Section 312 Amendment before paying the Issue Fee. However, on October 16, 2012, the Examiner contacted Applicants, informing Applicants that the Section 312 Amendment would be entered but for a typographical error resulting in claim 1 differing from the most recent version thereof. Because the issue fee had been paid, the Examiner did not enter the Amendment. Applicants have corrected this inadvertent typographical error in the amendment filed herein. Applicants respectfully request that the amendment be entered prior to issuance so as to improve the readability of the claims.

It is believed that any fees associated with the filing of this paper are identified in an accompanying transmittal. However, if any additional fees are required, they may be charged to Deposit Account 18-0013, under Order No. 65632-0218, from which the undersigned is authorized to draw. To the extent necessary, a petition for extension of time under 37 C.F.R. 1.136(a) is hereby made, the fee for which should be charged against the aforementioned account.
